

 *Albemarle* ^{45th}

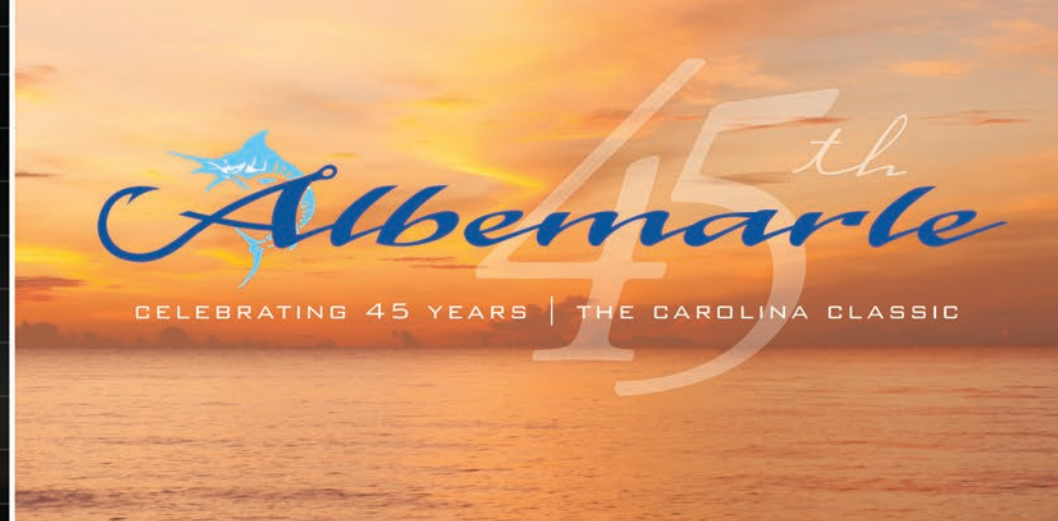

CELEBRATING 45 YEARS | THE CAROLINA CLASSIC

1978

2023

Trolling the rip for dolphin. Diving a wreck at the edge of the reef. Crossing the Gulf Stream for a week in the islands. All in a boat that provides the confidence of knowing you can handle anything the sea might throw at you. For those who seek this kind of adventure, **WE ARE ALBEMARLE.**

Boating is an escape. An escape from stress, responsibilities, and the everyday routine that drives us to seek something more. A chance to focus on the people you care about and the adrenaline that comes with the thrill of the hunt. From Albemarle's first day, we've always kept in mind that family and fishing is all about making the most of every moment on the water. A strongly held conviction that your time is truly priceless. *When was the last time a boat helped keep your priorities in order?*

“Forty-five years of boat building has taught us we build more than boats. We build relationships.”

Our Mission

Albemarle Boats, The Carolina Classic, is committed to building the best sportfishing boats in the world and to stimulating sportfishing as a recreation. We believe we will find ongoing success as we consistently exceed sport fishermen's expectations in the areas of quality, value, innovation, service and pure enjoyment. We will accomplish this goal through a total commitment to excellence throughout our company.

Guiding Principles

To accomplish our mission, Albemarle Boats will follow a set of standards to guide both individual and major policy decisions.

- Identify customer needs and strive to provide high levels of customer satisfaction.
- Continuously improve quality and productivity in every part of our company through constant innovation.
- Give each employee the opportunity, training, and encouragement to make a difference and achieve his or her aspirations.
- Create an atmosphere of mutual trust, honesty and integrity among ourselves, our customers, our suppliers, and our community.

More than four decades have passed since the first Albemarle hull hit the water. More than 4000 hulls later, our once small family business has grown to become a successful business serving a global dealer-base and servicing customers all over the world. Members of Albemarle's founding families remain at the helm of the company today and continue to be dedicated to our guiding principles and mission statement.

Albemarle Built

"Albemarle Built" summarizes the people, techniques, materials, experience and testing that goes into each boat we build.

The Four "C"s of Albemarle Built

CONSTRUCTION TECHNIQUES AND MATERIALS

- Complex molded parts eliminate bolt-on components, prevent movement and provide a clean look
- Decks, liners and all major fiberglass parts are fiberglassed to hulls and stringers for "one-piece" construction
- Source the best raw materials available
- Many components are built in-house, allowing increased quality control and making customization possible

CUSTOMIZATION

- Consider ourselves a semi-custom shop
- Believe our customers should be able to have it their way
- Many of our best designs and features are ideas that originated with customers

COMPLETE PRODUCT TESTING

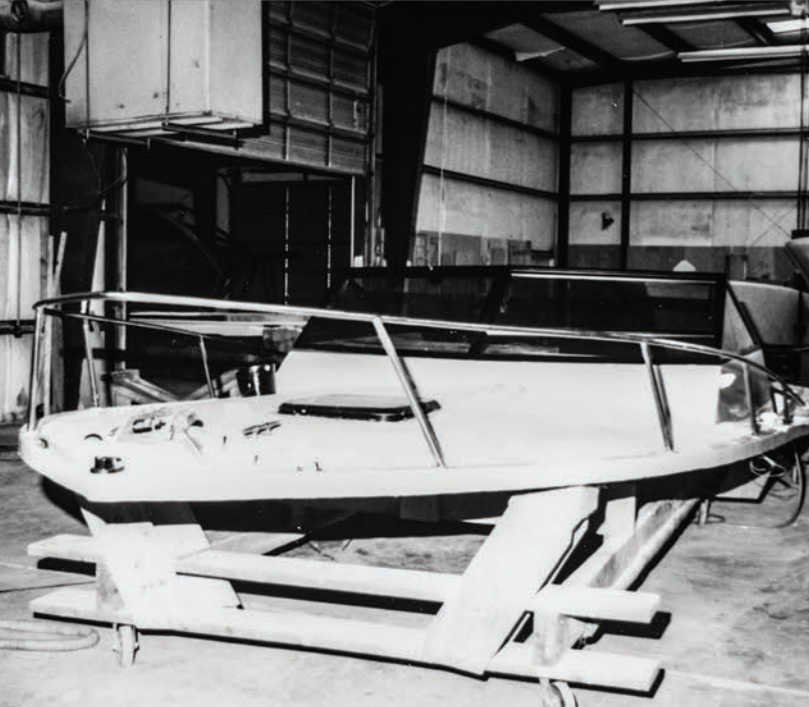

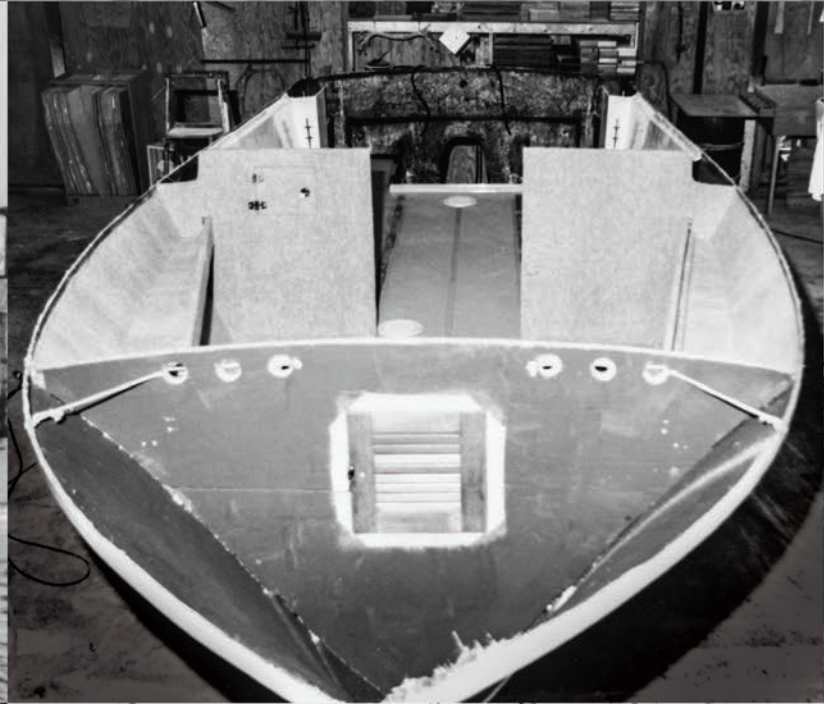

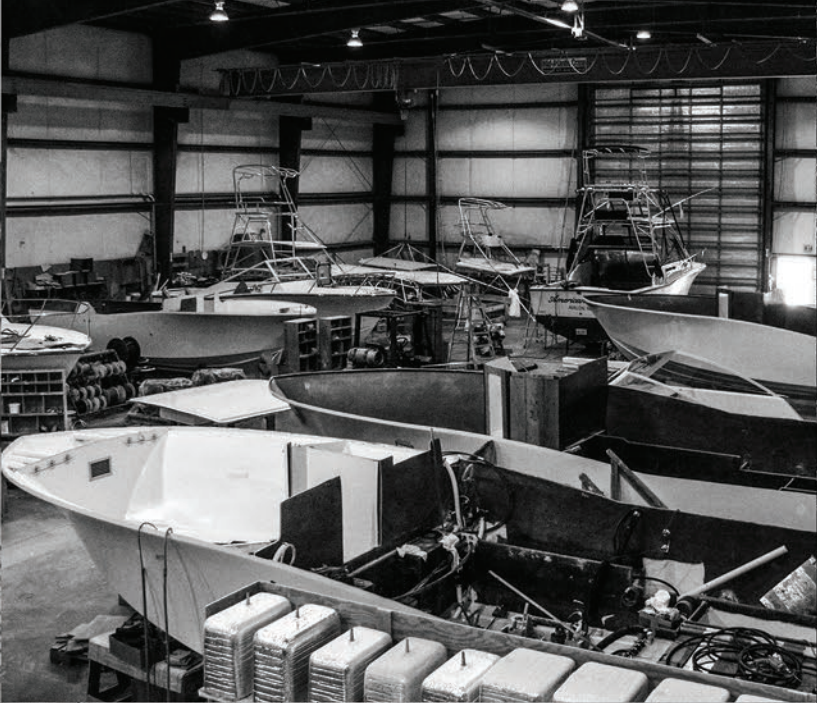

- Every boat goes through an extensive sea trial to validate engine performance and test all systems
- Boat arrives at dealer 100% water-ready

CULTURE OF SERVICE

- Service and availability to our dealers and customers have been priorities for more than forty years
- Repeat business is our greatest testament to this

“Our unique history has helped fabricate the many strengths of our boats today.”

“Our fantastic
people make
the difference
day in, &
day out.”

The culture at Albemarle is the product of our saltwater heritage, superb engineering and unbelievable craftsmen who use their own on-water experiences to push our boats into a league of their own. We pride ourselves on our ability to recruit, motivate and retain the right people to help build yachts that match our Carolina-Strong reputation. We relentlessly focus on combining our employee's talents to bring you the best possible sportfisher on the market.

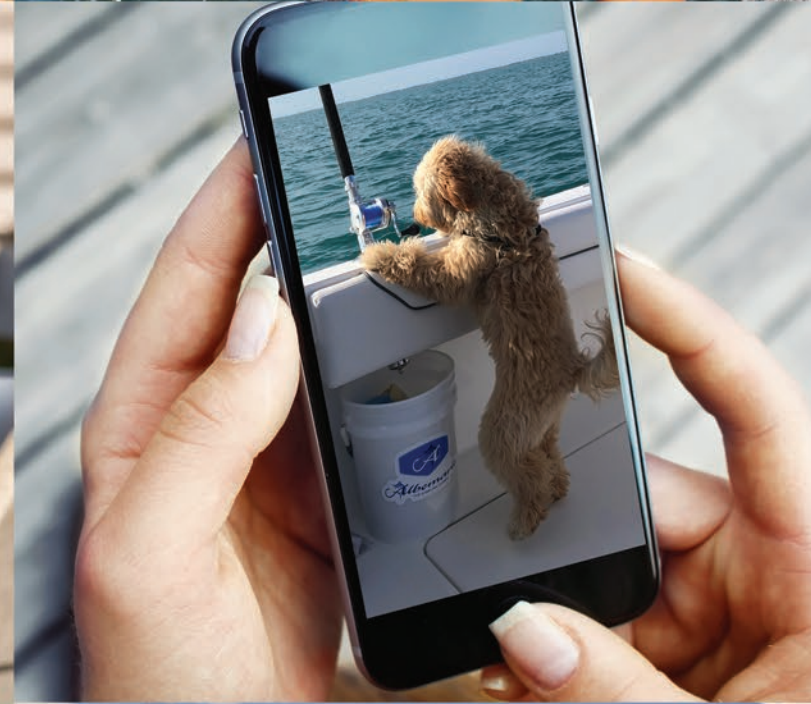

“We build customer relationships that are as strong and long-lasting as our boats.”

We place customers and family at the heart of everything we do. We spend time on the water with our owners gathering their input, ideas and suggestions for constant improvement. Staying close to our customers is the Albemarle way. Each week our inbox is filled with emails and photos of fish and families from all over the world. This is why we love building boats and having your family as a part of our family.

BURCH PERRY
General Manager

“
Every Albemarle
we build becomes
a springboard for
generations of
family memories.
”

“Always dry.
Always comfortable.”

Albemarle boats are used by serious sportsmen, active families, and commercial clients who demand best-in-class features, durability, and reliability. Our diverse group of owners use their boats in waters all over the world. Because of this, our hulls have a reputation for comfort, staying dry and handling exceptionally rough winds and waves while ensuring a superior ride. Visit your dealer for more details.

27DC

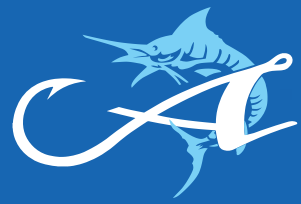

Family time is a treasure. Albemarle Boats understands this and has designed the 27 Dual Console to meet the demands of boating families wanting to do all sorts of on the water activities. Her deep-v hull and solid fiberglass construction offer the soft dry ride necessary to run in big open water. After all, that is what Albemarle is known for. She also boasts everything needed for coastal family fun. Anchoring at the sandbar, waterskiing, diving, cruising, dinner by boat... the list goes on and on.

The 27DC is loaded with amenities and truly built for comfort and convenience. There is comfortable seating from bow to stern providing ample room for the entire family. An electric head, freshwater sink, and cockpit shower have the necessities covered. The starboard console houses a bunk and a cavernous dry storage area for larger items like rods and wakeboards. Charging ports are located throughout the boat in case you forget to leave your electronic devices at home.

In addition to seating, the cockpit offers a huge insulated in-deck box that can be used for storage or to hold your catch. There is also an insulated multi-purpose transom box that is also plumbed as a livewell and a 64 quart cooler beneath the aft-facing seat. A transom door makes it easy to get from the cockpit to the integrated swim platform and ladder. The optional hardtop, bow, and cockpit sun shades will keep you cool on hot summer days, and the full height windshield and custom enclosure will keep you dry and comfortable when the weather conditions deteriorate.

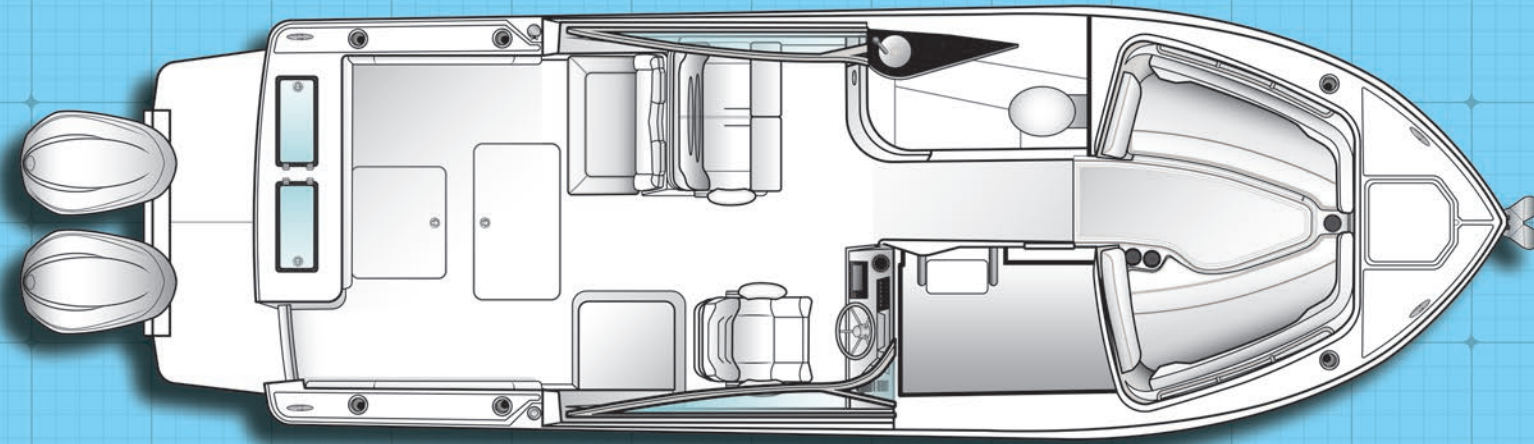

27 Dual Console

- Hull Length: 27'4"
- L.O.A.: 30'0"
- Beam: 8'8"
- Draft: 20"
- Draft Engines Down: 31"
- Dry Weight: 8,000 Lbs.
- Deadrise: 24 Degrees
- Fuel Capacity: 170 Gal.
- Cockpit Fishbox: 60 Gal.
- Transom Box/Livewell: 38 Gal.
- Ice/Cooler Box: 16 Gal.
- Cockpit Size: 58 sq. ft.
- Water Capacity: 23 Gal.
- Height to Hardtop: 7'8" from Waterline
- Base Power: Twin Yamaha 200

MORONE SAXATILIS

The striped bass is a typical member of the Moronidae family in shape, having a streamlined, silvery body marked with longitudinal dark stripes running from behind the gills to the base of the tail.

CONSTRUCTION

- Armstrong Custom Twin Engine Bracket
- Bronze Garboard Drain Plug
- Bonded and Mechanically Fastened Hull, Deck, and Liner
- Composite, Fiberglass Encapsulated Stringer System
- Hand Laid Solid Fiberglass Construction with Premium Gelcoat Finish and Vinylester Resin
- Molded, One-piece Deck and Cockpit Liner with Non-Skid
- Heavy Duty Vinyl Rub Rail with Stainless Steel Insert
- Solid Fiberglass Hull with 10 Year Structural Warranty

MECHANICAL

- Aluminum Fuel Tank, Thick Walled with Cold Tar Epoxy Coating
- Bilge Pumps (2) with Indicator Lights, Float Switches (2), and High Water Alarms (2)
- Double Stainless Steel Hose Clamps below Waterline
- Flanged Bronze Seacocks on All Through-Hulls below Water
- Flexible Fuel Lines
- Fuel / Water Separator Filters
- Hydraulic Steering
- Pressurized Water System
- Stainless Steel Through-Hull Fittings above Waterline
- Trim Tabs with Indicator and Auto Retract

ELECTRICAL

- 12 Volt LED Lighting
- Battery Paralleling Switch
- Bonded Electrical System
- Circuit Breaker Protected Throughout
- Color-Coded Wiring System
- Engine Alarm System
- Heavy-Duty Marine Batteries (3) with Trays
- Horn, Electric
- LED Navigation Lighting
- Lighted Rocker Style Switch Panel
- Pre-Wiring for Electronics

COCKPIT

- Aft Facing Cockpit Seat
- Coaming Pads, Port and Starboard
- Cockpit Shower
- Cooler Box
- Custom Cockpit Upholstery with Dri-Fast Foam
- Drink Holders
- Folding Transom Seat with Backrest
- Freshwater Washdown
- In-Deck Fishbox with Macerator Pump-Out System
- Indirect LED Cockpit Lighting
- Molded Cabinet with Sink and Storage/Tackle Drawers
- Molded Fiberglass, Self-Bailing Cockpit with Scuppers
- Raw Water Washdown
- Stainless Steel Flush Mounted Drink / Rod Holders
- Transom Door
- Transom Fish Box / Live Bait Well with "Calming Blue" Gelcoat

HELM AREA

- 12 Volt Accessory Outlet / USB (Multiple)
- Dash Designed for Flush Mounted Electronics
- Drink Holders
- Flush-Mounted Compass with Light
- Footrests, Helm and Companion
- Full Instrumentation with Digital Engine Display and Fuel Management
- Helm Chair and Port Side Double Bench Seat
- Stainless Steel Steering Wheel
- Weather-protected Switches and Instruments with Backlights
- Windshield with Tempered Glass and Walk-Through Door
- Windshield Wiper

BOW AREA

- Anchor Locker with Fiberglass Hatch
- Anchor Roller, Stainless Steel Through-Stem
- Anchor, Stainless Steel with Rode and Chain
- 12 Volt Accessory Outlet / USB (Multiple)
- Bench Seating, Port and Starboard with Cushions
- Bolster Cushions
- Dry Storage under Port Side Seat, Insulated
- Stainless Steel Flush Mounted Drink/Rod Holders (2)
- Stainless Steel Hand Rails
- Wind Break Door

STARBOARD CONSOLE

- Access to Dash and Electronics Wiring
- Berth with Cushions
- Dry Storage
- Electrical Panel
- LED Lighting
- Lockable Rod Storage
- Molded Non-Skid Flooring

PORT CONSOLE

- Electric Head with Holding Tank
- LED Lighting
- Mirror
- Molded Non-Skid Flooring
- Storage and Medicine Cabinets
- Solid Surface Countertop and Sink

MISCELLANEOUS

- Coast Guard Safety Kit
- Stainless Steel, Flush Mounted Bow, Spring, and Stern Cleats
- Stainless Steel Bow Eye
- Stainless Steel, Through-Bolted Deck Hardware
- Swim Ladder

HARDTOP PACKAGE

- Three-Sided Enclosure
- Molded In Outrigger Receiver Pads
- Multi-Color Overhead LED Lighting
- Rod Holders (2 per side)
- Ski Tow Point
- Spreader Lights (LED)

POPULAR OPTIONS

- Anchor Windlass w/ Rope, Chain Stainless Steel Anchor
- Battery Charger
- Bow Tonneau Cover
- Folding Port Side Cockpit Bench Seat

POWER OPTIONS

- Twin Yamaha 200 HP Engines
- Twin Yamaha 250 HP Engines
- Twin Mercury 250 HP Engines

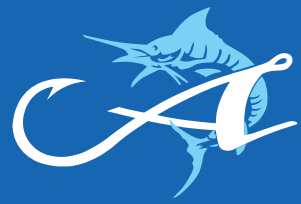

A 30

Introduced in 2021, the 30 Express offers the ultimate in hardcore fishing amenities in a compact express package. Serious anglers will appreciate its off-shore ability, exceptional handling in rough seas, and fuel economy.

Featuring a modern helm area with forward facing seating for three, mezzanine style seating aft, large in-deck macerated fishboxes, transom livewell, tackle center, and a standard transom door, this express delivers in a big way. With a full galley, a stand-up head, and an A-bunk, the 30 will overnight comfortably.

The new model has a custom Carolina look and unsurpassed visibility from the helm with a standard rigid acrylic enclosure. She has a standard anchor windlass system with through-stem roller and polished stainless-steel anchor. Every boat is Seakeeper 2 ready with stringer beds in place. A triple 300 HP outboard option provides the low-end torque needed to maintain slower cruise speeds on those sloppy days and make her the fastest Albemarle ever built. The hull is designed to bust through head seas, land softly in the troughs and keep the enclosure dry.

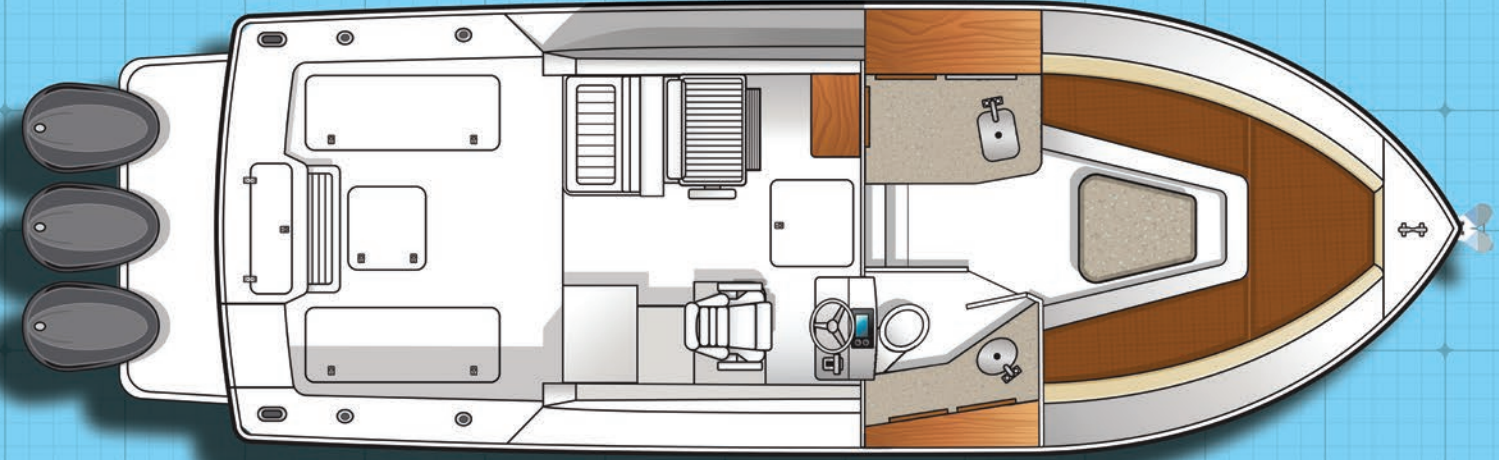

30 EXPRESS

- Hull Length: 30'10"
- L.O.A.: 33'6"
- Beam: 10'6"
- Draft of Hull: 26"
- Draft Engines Down: 34"
- Dry Weight: 13,000 lbs
- Deadrise: 24 Degrees
- Fuel Capacity: 320 Gal.
- Cockpit Fishbox (2): 56 Gal.
- Transom Livewell: 30 Gal.
- Ice/Cooler Box: 25 Gal.
- Cockpit Size: 64 sq. ft.
- Water Capacity: 30 Gal.
- Berths: 2
- Height to Windshield: 7'4" from Waterline
- Base Power: Twin Yamaha 300 HP

THUNNUS ALBACARES

The yellowfin tuna is a species of tuna found in pelagic waters of tropical and subtropical oceans worldwide. Yellowfin is often marketed as ahi, from the Hawaiian 'ahi.

CONSTRUCTION

- Armstrong Custom Twin Engine Bracket
- Bonded and Mechanically Fastened Hull, Deck, and Liner
- Fiberglass Encapsulated Stringer System
- Heavy Duty Vinyl Rub Rail with Stainless Steel Insert
- Non-Skid Deck and Cockpit
- Solid Fiberglass Hull w/ 10 Year Structural Warranty

MECHANICAL

- Aluminum Fuel Tank
- Bilge Pumps (2) with Indicator Lights, Float Switches (2), High-water Alarms (2)
- Double Stainless Steel Hose Clamps below Waterline
- Flanged Bronze Seacocks on All Through-Hulls Below Water Line
- Flexible Fuel Lines
- Fuel / Water Separator Filters
- Pressurized Water System
- Pump / Mechanical Compartment
- Trim Tabs
- Yamaha Helm Master EX (Electronic Steering)

ELECTRICAL

- 110V 30 Amp Dockside Wiring w/ Breakers
- 30 Amp Shore Power Cord, 50 feet
- 12V LED Lighting
- AC/DC Electrical System
- Battery Charger
- Battery Switches
- Battery Paralleling Switch
- Bonded Electrical System
- Circuit Breaker Protected Throughout
- Color-coded Wiring System
- Electrical Compartment
- Engine Alarm System
- Heavy-duty Marine Batteries (4) with Boxes
- LED Navigational Lighting
- Lighted Rocker Style Switch Panel
- Pre-wiring for Electronics

COCKPIT

- Folding Transom Bench Seat
- Freshwater Washdown
- Indirect LED Cockpit lighting
- Mezzanine Style Aft-facing Bench Seat
- Molded Fiberglass, Self-Bailing Cockpit
- Rigging Station (or Optional Exterior Galley)
- Saltwater Washdown
- Scuppers with Flaps
- Stainless Steel Flush-mounted Rod holders (4)
- Transom Door

COCKPIT (Continued)

- Transom Live Bait Well with "Calming Blue" Gelcoat and LED Light
- Twin In-Deck Fishboxes with Macerator Pump-out Systems

HELM DECK

- 12V Accessory Outlet
- Companion-Way Door
- Dash Designed for Flush Mounted Electronics
- Drink / Cooler Box
- Drink Holders
- Flush Mounted Compass with light
- Full Instrumentation with Digital Engine Display
- Glove Box
- Helm Chair and Port Side Double Seat
- Helm Ventilation Fan
- Stainless Steel Steering Wheel
- Tackle / Storage Cabinets with Drawers
- Trim Tab Switches with Indicators
- Weather-protected Switches and Instruments with Backlights
- Rigid Acrylic Enclosure, 150 Gauge Front Panel, 80 gauge sides, and 40 mil Strataglass Back Drop

CABIN

- Bomar Hatch with Screen
- Carbon Monoxide / Smoke Alarm
- Chrome Finished Positive Catch Push Button Latches on All Cabinetry
- Custom Cabinetry
- Electric Head with Holding Tank
- Galley w/ Solid Surface Countertop and Sink, Microwave, and Refrigerator
- Hook for Pull-Out Faucet Shower
- Lockable Rod Storage
- Molded Non-Skid Flooring
- Separate Head Compartment with Solid Surface Countertop and Sink
- A-berth Lounge with Cushions and Storage Beneath

MISCELLANEOUS

- Anchor Locker w/ Bow Access
- Anchor Windlass (Thru-stem Anchor Roller, Rode, Stainless Steel Anchor, Helm and Bow Controls)
- Bow, Spring, and Stern Cleats
- Coast Guard Safety Kit
- Stainless Steel Bow Rail
- Stainless Steel Stern Hawse Pipes

POWER OPTIONS

- Twin / Triple Yamaha 300 HP Engines
- Twin / Triple Mercury 300 HP Engines

A 31DC

The 31 Dual Console was designed and built as the ultimate fish/family offshore crossover.

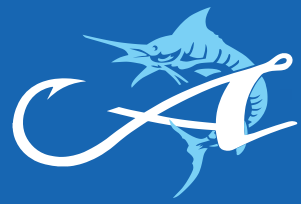

A 24 degree deadrise, hand-laid solid fiberglass hull, one-piece construction, and superior weather protection will ensure a ride worthy of the Albin name and allow boating even when the weather is less than ideal.

The 31DC features reliable and efficient twin or triple 300 HP outboard power. The bow, helm, and cockpit seating will offer plenty of comfortable space for family and friends. Her cockpit is uncluttered and well laid out for multiple purposes.

The standard boat has everything you need for a day offshore, and with the addition of the optional cockpit galley, she is very capable of onboard dinner cruises as well. The 31 also features our "A" Berth, an innovative full beam berth, making her the first dual console in the class truly capable of comfortable overnighting.

31 DUAL CONSOLE

- Hull Length: 30'11"
- L.O.A: 33'8"
- Beam: 10'8"
- Draft of Hull: 26"
- Draft Engines Down: 34"
- Dry Weight: 12,500 lbs
- Deadrise: 24 Degrees
- Fuel Capacity: 275 Gal.
- Cockpit Fishbox (2): 56 Gal.
- Transom Fishbox/Livewell: 30 Gal.
- Forward Cooler Box: 35 Gal.
- Cockpit Size: 62 sq. ft.
- Water Capacity: 28 Gal.
- Berths: 2
- Height to Hardtop: 8'10" from Waterline*
- Power: Twin Yamaha 300

* This height includes the optional SunShade

ACANTHOCYBIUM SOLANDRI

Wahoo is a scombrid fish found worldwide in tropical and subtropical seas. It is best known to sports fishermen, as its speed and high-quality flesh make it a prize game fish. In Hawaii, the wahoo is known as ono.

CONSTRUCTION

- Armstrong Custom Twin Engine Bracket
- Bonded and Mechanically Fastened Hull, Deck, and Liners
- Composite, Fiberglass Encapsulated Stringer System
- Hand Laid Solid Fiberglass Construction with Premium Gelcoat Finish and Vinylester Resin
- Heavy Duty Vinyl Rub Rail with Stainless Steel Insert
- Molded, One-Piece Deck and Cockpit Liner with Non-Skid
- Solid Fiberglass Hull with 10 Year Structural Warranty

MECHANICAL

- Aluminum Fuel Tank, Thick Walled with Cold Tar Epoxy Coating

A 36

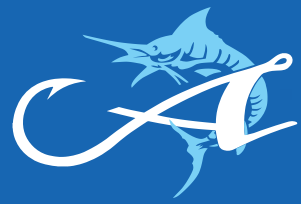

Drawing upon the best features of our current model line up and combining them with feedback from our customers and dealers, our engineers designed the 36 Express to be rugged enough to take on the toughest seas and still provide the smooth, dry ride with the refined style that defines an Albemarle.

Built to be a flat-out fishing machine that is nimble enough to be managed by a crew of two, the 36 Express comes with an exhaustive list of standard high-quality, full-on fishing features. The centerline helm pod with 360-degree visibility and deep gunwales make it perfect for the serious tournament angler or charter captain.

Her recently designed one-piece, molded fiberglass windshield provides a clean look, incredible visibility, and superior weather protection.

The first-class living quarters boast numerous luxury upgrades and a well-appointed galley. The intelligent cabin configuration allows plenty of sleeping and entertaining options that make the 36 livable enough to spend a week heading for the next hot bite or just cruising. Proven to raise fish and Carolina tough, the 36 Express has already established itself as one of the most sought-after sportfishing boats on the water.

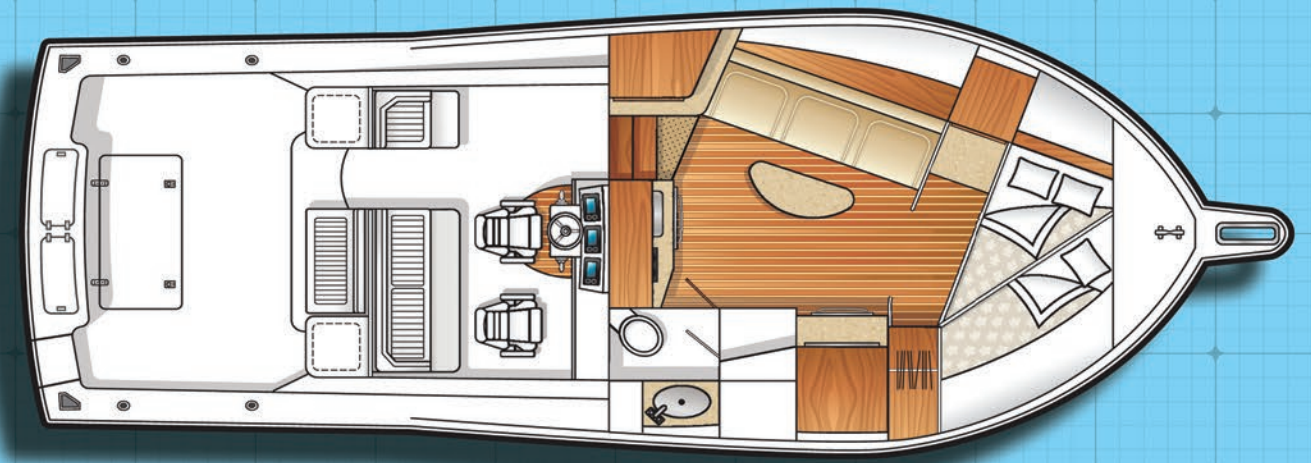

36 EXPRESS

- Hull Length: 36'0"
- L.O.A.: 38'8"
- Beam: 14'5"
- Draft: 48"
- Dry Weight: 25,000 lbs
- Deadrise: 16 Degrees
- Fuel Capacity: 535 Gal.
- Transom Fishbox: 56 Gal.
- Cockpit Fishbox: 57 Gal.
- Livewell: 25 Gal.
- Cockpit Size: 78 sq. ft.
- Water Capacity: 95 Gal.
- Berths: 4 (5 Optional)
- Height to Windshield: 9'0" from waterline
- Base Power: Twin Cummins 600 HP

KAJIKIA ALBIDUS

White marlin, also known as Atlantic white marlin, marlin, skilligalee, is a species of billfish that lives in the epipelagic zone of the tropical and subtropical Atlantic Ocean.

CONSTRUCTION

- Accessible Gelcoated Bilge Areas
- Bonded and Mechanically Fastened Hull, Deck, and Liner
- Bottom Paint (Black) with Barrier Coat – True Waterline
- Fiberglass Encapsulated Stringer System
- Heavy Duty Vinyl Rub Rail with Stainless Steel Insert
- Molded, Hand-Laid Fiberglass Construction with Premium Gelcoat Finish and Vinyl Ester Resin
- Non-Skid Deck and Cockpit
- Painted Boot Stripe (True Waterline)

MECHANICAL

- 95 Gallon Fresh Water Tank with Pressurized System
- Acme CNC Machined 4 Blade Nibrall Propellers
- Acoustical and Thermal Engine Room Insulation
- Automatic Fireboy Fire Protection System
- Bilge Pumps (3) with Indicator Lights, Float Switches (3), High-Water Alarms (3)
- Bright White Gelcoat Finish in Engine Room
- Bronze Rudders with Stainless Steel Shafts
- Bronze Struts
- Dripless Shaft Seals
- Electronic Side-Mount, Single Lever Engine Controls
- Engine Alarm System
- Engine Hour Meters
- Engine Room Blowers
- Engine Synchronizers
- Fiberglass Mufflers
- Flanged Bronze Seacocks on All Through-Hulls
- Fuel / Water Separator Filters
- Gauge for Holding and Freshwater Tanks
- Holding Tank with Dockside and Overboard Pumpout
- Hot Water Heater (12 US gal)
- Hydraulic Trim Tabs
- Optimus Electronic Power Steering
- Sea Strainers (External)
- Stainless Steel Double Taper Shafts
- Twin Fresh Water Cooled Diesel Engines
- Underwater Exhaust

ELECTRICAL

- 50 A Dockside Service with 50' Shore Power Cord
- 9 KW Onan Diesel Generator, Fresh Water Cooled with Remote Start and Gauge Panel
- AC Electrical Distribution Panel with Line Voltage and Load Meter and Circuit Breakers
- Battery Charger - 90 Amp
- Battery Paralleling
- Bonded Electrical System with Transom Zinc Plate
- Color-Coded Wiring System
- DC Breaker with Uninterrupted Power to Bilge Pumps and High Water Alarms
- DC Electrical Distribution Panel with Battery Voltage and Load Meters
- Dual-Trumpet Air Horn
- Electric Battery On / Off Switches, Vapor Proof
- Ground Fault Receptacles in Galley, Head, Engine Room & Lazzaretto
- Heavy-duty Marine Batteries (6) with Boxes
- LED Engine Room Lights
- LED Interior Lighting Throughout
- LED Navigation Lights
- Prewiring for Electronics at Helm

DECK

- Anodized Aluminum Bow Rail
- Bomar Hatch with Screen and Shade
- Bow Pulpit with Anchor Roller
- Anchor Locker Hatch
- Freshwater Windshield Washers (2)
- Freshwater Wash Down Spigot in Anchor Locker
- Non-Skid Surface
- Stainless Steel Bow, Stern and Spring Cleats
- Stainless Steel Stern Hawse Pipes
- Windshield Wipers (2)
- Molded Fiberglass Windshield Frame w/ One-piece Curved Front Glass

HELM DECK

- Bench Seating with Storage Below
- Companion-Way Door
- Complete Instrumentation with LED Lighting
- Drink Holders
- Flush Mounted Compass with Light
- Molded Fiberglass Helm Deck, Hydraulically Lifted, with Full Length Gutters
- Non-Skid Surface
- Oversized Dash For Flush Mounted Electronics
- "Palm Beach Style" Pod Helm
- Pedestal Mounted Companion Seat
- Raised Helm Station with Pedestal Mounted Seat
- Rocker Style Switch Panel with Backlight
- Stainless Steel Steering Wheel
- Tackle Storage Cabinets with Drawers
- Trim Tab Switches with Indicators

COCKPIT

- 50 AMP Shore Power Connection
- Aluminum Plate Laminated-in for Mounting Fighting Chair
- Cable TV Connection
- Day Hatch for Engine Room Access
- Drink Holders
- Fresh and Raw Water Washdown
- Large, Insulated In-Deck Fishbox with Macerator
- LED Courtesy Lighting Under Gunwales
- Live Bait Well with "Calming Blue" Gelcoat and LED Light
- Mezzanine Style Aft-Facing Seating
- Molded-In Boarding Steps, Port & Starboard
- Scuppers for Self-Bailing
- Stainless Steel Flush-Mounted Rod Holders (4)
- Tackle / Bait Prep Center Including Tackle Storage, Sink, Livewell / Drink Box (Ready for Optional Freezer)
- Transom Door
- Transom Fishbox

MAIN CABIN

- Access to Bilge, Sealed
- Carpeting Throughout
- Chrome Finished Positive Catch Push Button Latches on All Cabinetry
- Coast Guard Safety Kit
- Custom Cherry Cabinetry with Satin Finish
- Entertainment Center with TV and DVD / Stereo System
- Overhead Hatch with Screen and Shade
- Queen Size Bed with 6-inch Spring Mattress
- Recessed Indirect LED Lighting
- Reverse Cycle Air Conditioning / Heat System – 16,000 BTUs
- Rod Storage Locker above Sofa
- Salon Table
- Storage Drawers
- Twin Hanging Lockers
- Upholstered Sofa, Converts to Over / Under Bunk
- Whisper Wall® Treatment Throughout

HEAD

- Electric Head
- Exhaust Fan
- Ground Fault Receptacle
- LED Lighting
- Medicine Cabinet
- Mirror
- Non-Skid Floor
- Separate Stall Shower with Automatic Sump Pump
- Solid Surface Vanity with Sink and Storage
- Towel Bars

GALLEY

- AC/DC Refrigerator / Freezer Drawers
- Electric Cook Top, Recessed with Cover
- LED Countertop Lighting
- Microwave
- Solid Surface Countertop with Sink
- Storage Cabinets and Drawers

POPULAR OPTIONS

- Albemarle Tuna Tower
- Helm Deck Air Conditioning
- Cockpit Freezer
- 12 Volt Bow Thruster
- SeaKeeper 5 Gyro

POWER OPTIONS

- Twin Cummins QSC 8.3 600 HP Diesels
- Twin Volvo D8 600 HP Diesels

 **41 CCE**
Custom Carolina Edition

The newly refined 41 Express is an impressive offshore fishing machine that combines striking lines and dramatic Carolina-style flare, with unparalleled interior design, innovation, and craftsmanship. Designed to handle like a sports-car in the toughest of seas, the rock-solid construction of the 41 speaks for itself. Her elegant refinements make family outings and serious offshore fishing both enjoyable and comfortable.

On deck, the 41 has an oversized cockpit with gunwales designed at just the right height for wiring marlins or gaffing tunas. Standard equipment such as a livewell, ice/bait coolers, tackle storage, oversized fishboxes, and a transom door provide the hardcore fisherman with everything needed to haul in the big catch. The helm's "Palm Beach style" pod and single lever controls give the boat a yacht-like appeal and make for easy handling when fighting fish or around the dock. The one-piece, molded fiberglass windshield provides incredible visibility and excellent protection from the elements. The newly incorporated twin mezzanine seating and the wrap-around helm lounges further improve sight lines and provide comfort for the crew when running out and back from the offshore grounds.

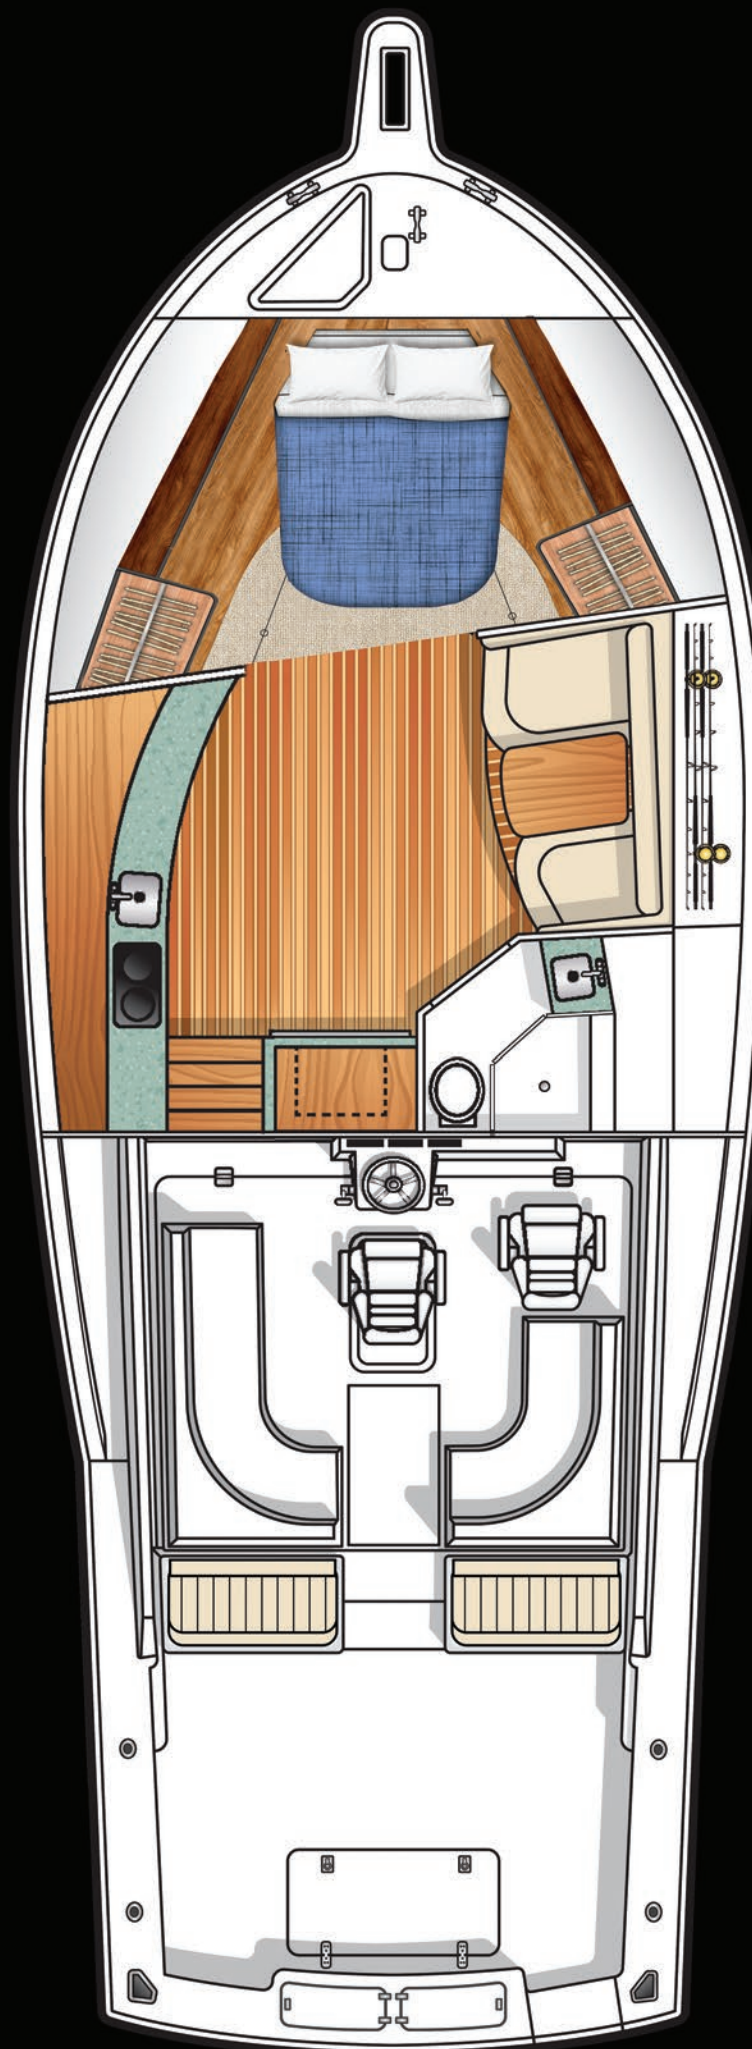

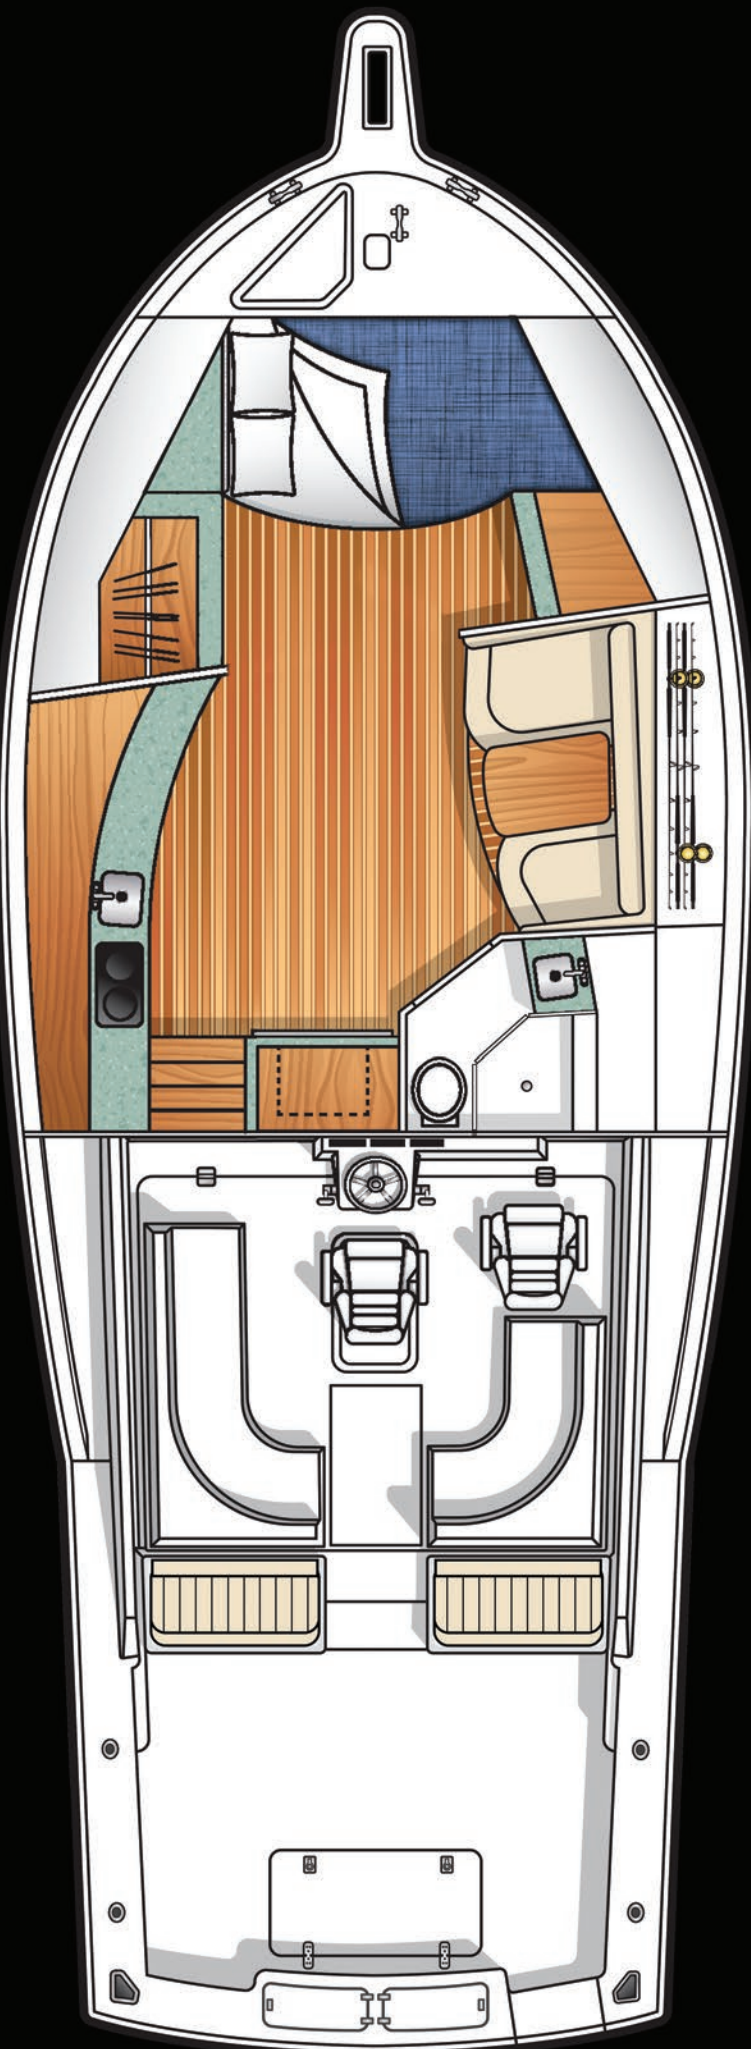

STANDARD QUEEN BERTH

Render showing the standard Custom Carolina Edition full-beam sleeping arrangement.

ISLAND QUEEN BERTH

Render showing the optional Island Queen Berth arrangement with additional storage.

41 CCE

- Bottom Paint (Black) with Barrier Coat – True Waterline
- Fiberglass Encapsulated Stringer System
- Heavy Duty Vinyl Rub Rail with Stainless Steel Insert
- Molded, Hand-Laid Fiberglass Construction with Premium Gelcoat Finish and Vinyler Resin
- Non-Skid Deck and Cockpit
- Painted Boot Stripe (True Waterline)

MECHANICAL

- 100 Gallon Fresh Water Tank with Pressurized System
- Acme CNC Machined 4 Blade Nibral Propellers
- Acoustical and Thermal Engine Room Insulation
- Automatic Fireboy Fire Protection System
- Bilge Pumps (3) with Indicator Lights, Float Switches (3), High-water Alarms (3)
- Bright White Gelcoat Finish in Engine Room
- Bronze Rudders with Stainless Steel Shafts
- Bronze Struts
- Dripless Shaft Seals
- Electronic Side-Mount, Single Lever Engine Controls
- Engine Alarm System | Engine Hour Meters
- Engine Room Blowers | Engine Synchronizers
- Fiberglass Mufflers
- Flanged Bronze Seacocks on all Through-Hulls below Water Line
- Fuel/Water Separator Filters
- Gauge for Holding and Freshwater Tanks
- Gelcoated Engine Room Bulkheads
- Holding Tank with Dockside and Overboard Pumpout
- Hot Water Heater (12 US gal)
- Hydraulic Trim Tabs
- Optimus Electronic Power Steering
- Sea Strainers (External)
- Stainless Steel Double Taper Shafts
- Trolling Valves
- Twin Freshwater Cooled Diesel Engines
- Underwater Exhaust

ELECTRICAL

- 50 A Dockside Service with 50' Shore Power Cord
- 24 V DC Electrical System
- 9 KW Onan Diesel Generator, Freshwater Cooled with Remote Start and Gauge Panel
- AC Electrical Distribution Panel with Digital Line Voltage and Load Meter and Circuit Breakers
- Heavy-duty Marine Batteries (6) with Boxes
- Battery Charger – 60 Amp (24V)
- Battery Paralleling
- Bonded Electrical System with Transom Zinc Plate
- Color-Coded Wiring System
- DC Breaker with Uninterrupted Power to Bilge Pump and High Water Alarm
- DC Electrical Distribution Panel with Digital Battery Voltage and Load Meters
- Dual-Trumpet Air Horn
- Electric Battery On / Off Switches, Vapor Proof
- Ground Fault Receptacles in Galley, Head, Engine Room & Lazzaretto
- LED Engine Room Lights | LED Interior Lighting Throughout
- LED Navigation Lights
- Prewiring for Electronics at Helm

DECK

- Anchor Locker Hatch
- Anodized Aluminum Bow Rail
- Bow Pulpit with Anchor Roller
- Bomar Hatch with Screen and Shade
- Freshwater Wash Down Spigot in Anchor Locker
- Freshwater Windshield Washers (2)
- Non-Skid Surface
- Molded Fiberglass Windshield Frame w/ One-Piece Curved Front Glass
- Stainless Steel Bow, Stern and Spring Cleats
- Stainless Steel Stern Hawse Pipes
- Windshield Wipers (2)

HELM DECK

- Bench Seating with Storage Below
- Companion-Way Door
- Complete Instrumentation with LED Lighting
- Day Hatch for Engine Room Access
- Drink Holders
- Flush Mounted Compass with Light
- Molded Fiberglass Helm Deck, Hydraulically Lifted, with Full Length Gutters
- Non-Skid Surface
- "Palm Beach Style Pod" Helm
- Pedestal Mounted Helm Seats (2)
- Rocker Style Bronze Panel with Backlight
- Stainless Steel Steering Wheel
- Tackle Storage Under Bench Seat
- Trim Tab Switches with Indicators

COCKPIT

- 50 Amp Shore Power Connection
- Aluminum Plate Laminated-in for Mounting Fighting Chair
- Cable TV Connection
- Fresh and Raw Water Washdown
- Integrated Mezzanine Seating
- Large, Insulated In-Deck Fishbox with Macerator
- LED Courtesy Lighting Under Gunwales
- Live Bait Well with "Calming Blue" Gelcoat and LED Light
- Molded-in Boarding Steps, Port & Starboard
- Scuppers for Self-Bailing
- Stainless Steel Flush-Mounted Rod Holders (4)
- Tackle Storage
- Ice Box (Ready for Optional Freezer)
- Transom Door
- Transom Fishbox

MAIN CABIN / SALON

- Access to Bilge, Sealed
- Reverse Cycle Air Conditioning / Heat System – 24,000 BTUs
- Carpeting Throughout
- Chrome Finished Positive Catch Push Button Latches on All Cabinetry
- Coast Guard Safety Kit
- Central Vacuum System
- Custom Cherry Cabinetry with Satin Finish
- Dinette, Converts to Double Berth
- Entertainment Center with TV/DVD, AM/FM/CD
- LED Courtesy Lighting Throughout Cabin
- Pullman Berth Above Dinette
- LED Reading Lamp
- Rod Storage Locker
- Salon Table
- Whisper Wall® Treatment Throughout

FORWARD STATEROOM

- Carpeting Throughout
- Oversized Cedar-Lined Hanging Lockers (2)
- Recessed Indirect LED Lighting
- Rod Storage Locker
- Storage Drawers (10)
- Queen Size Bed with 6-Inch Spring Mattress and Storage

HEAD

- Electric Head
- Exhaust Fan
- LED Lighting
- Medicine Cabinet
- Mirror
- Non-Skid Floor
- Separate Stall Shower with Automatic Sump Pump
- Solid Surface Vanity with Sink and Storage
- Towel Bars and Toilet Paper Holders

GALLEY

- AC/DC Refrigerator / Freezer Drawers
- Electric, Two-Burner Cook Top, Recessed with Cover
- Expansive Solid Surface Countertop with Sink
- Ice Maker
- LED Countertop Lighting
- Microwave / Convection Oven
- Storage Cabinets and Drawers
- Trash Receptacle

POPULAR OPTIONS

- Albemarle Tuna Tower
- Cockpit Freezer
- Helm Deck Air Conditioning
- Island Queen Berth w/ Additional Storage
- SeaKeeper 6 Gyro
- 24 Volt Bow Thruster

POWER OPTIONS

- Twin Cummins QSM11 715 HP Diesels
- Twin Volvo D11 725 HP Diesels

INTRODUCING THE
Albemarle **53** *Spencer* EDITION

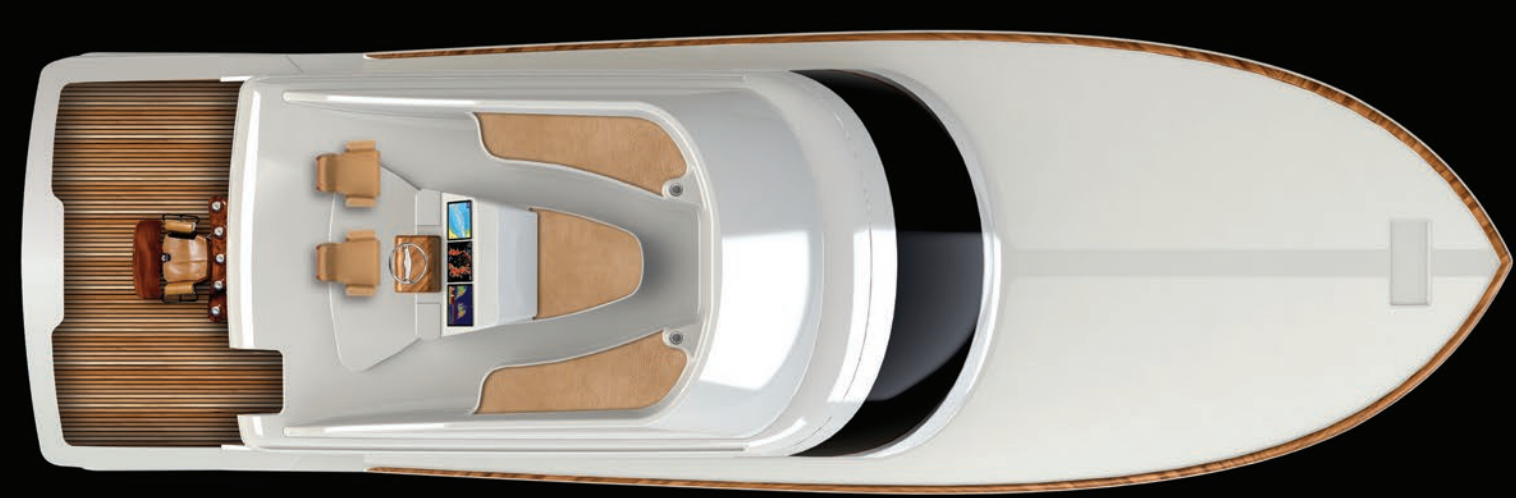

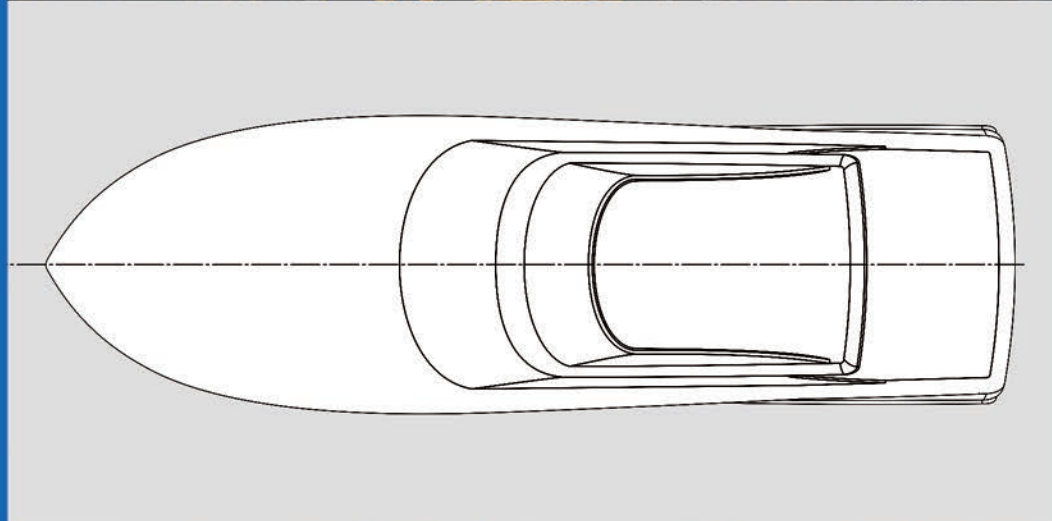

53 Convertible

- Hull Length: 53'0"
- Beam: 16'6"
- Draft: Approx. 5'
- Deadrise: 12.5 Degrees
- Fuel Capacity: 1,000 Gal.
- Water Capacity: 100 Gal.
- Cockpit: Approx. 160 Sq. Ft.
- Power: Twin CAT C18 @ 1150 hp

Istiompax indica

The black marlin is a species of marlin found in tropical and subtropical areas of the Indian and Pacific Oceans.

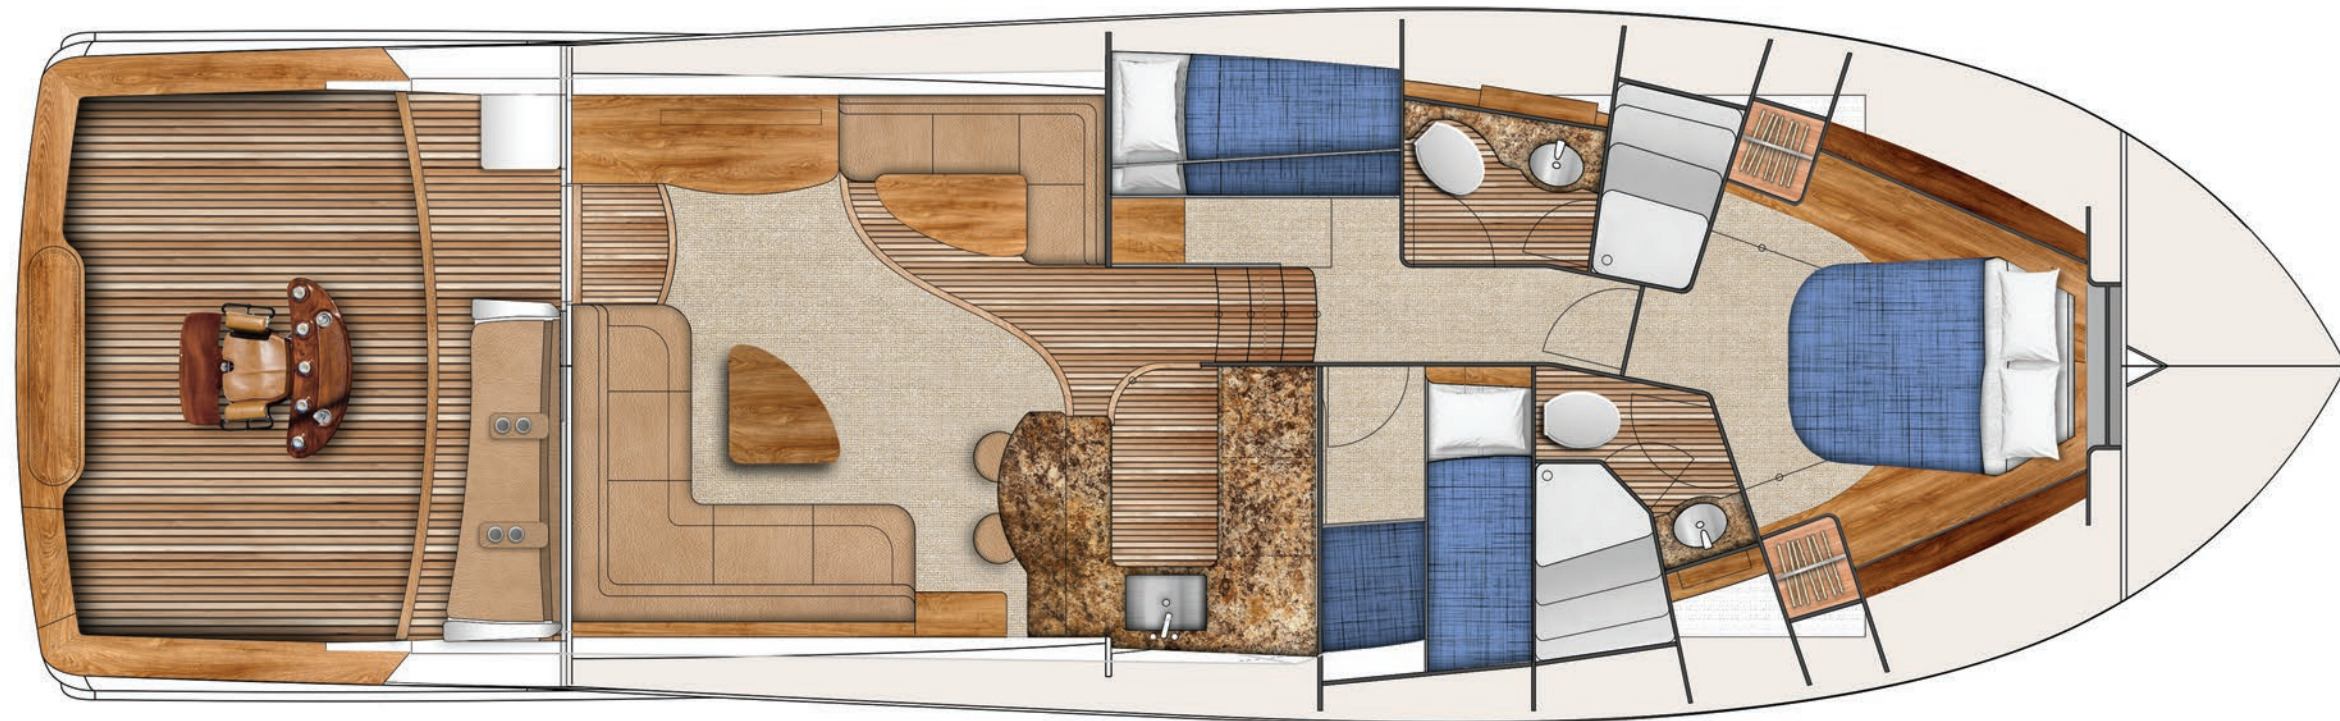

Albemarle 53 Spencer EDITION

Owners of our larger inboard boats have been asking us for a bigger boat for years. The concept of a new flagship of the Albemarle brand has been the subject of countless hours of conversation amongst our team over time. This year we moved from talk to action. We decided that this new boat had to be more than just bigger, it would hit new marks in Carolina styling, design, and performance. To achieve these goals, we decided to take a new approach and seek expertise outside our current organization.

We are proud to announce a newly formed partnership between Albemarle Boats and Spencer Sportfish. Paul Spencer is truly one of the masters in the custom Carolina sportfish world. Proof of this is evident in the 120 Spencer Yachts that are fishing the hot bites around the world and consistently topping tournament leader boards. We have teamed up with Paul and his children to design and build a semi-custom Carolina boat that will set new standards in the world of sportfishing.

The Albemarle 53 Spencer Edition will debut in the Spring of 2023. The first 53 will be a Convertible design, and she will boast custom Carolina styling and the proven seakeeping ability of the Spencer hull design. Her molded hull will be infused with fiberglass and 100% composite construction, making her not only our largest and most advanced build to date, but will also allow her to achieve new benchmarks in both speed and performance. Stay tuned as further details and information will be forthcoming.

Fifty Three

- Length Overall: 53'
- Beam: 16'6"
- Draft: 5'
- Dry Weight: 60,000 lbs
- Deadrise: 12.5 Degrees
- Fuel Capacity: 1,200 Gal.
- Water Capacity: 150 Gal.
- Holding Tank: 60 Gal.
- Cockpit Size: 160 sq. ft.
- Power: Twin CAT C18 1150 HP

CONSTRUCTION

- Ablative anti-fouling Bottom Paint (2 coats) w/ Barrier Coat Primer
- Bonded and Mechanically Fastened Hull, Deck and Cockpit Liner
- Bright White Awlgrip Finish in Engine Room and Lazarette
- Fiberglass Encapsulated Composite Stringer System
- Molded Hull, Vacuum Infused Fiberglass Construction with Premium Gelcoat Finish, Vinylester Resin and Corecell foam core
- Non-Skid Deck, Cockpit, and Flybridge
- Painted High Gloss Boot Stripe (True Waterline)
- Resin infused composite bulkheads
- Solid Stainless Steel Sheer Molding

ELECTRICAL

- 12 V Power Supply
- 17 KW Diesel Generator, Freshwater Cooled with Remote Start and Gauge Panel
- 24 V DC Electrical System
- 50 A Dockside Service with 50' Shore Power Cord
- AC Electrical Distribution Panel with Digital Line Voltage and Load Meter and Circuit Breakers
- Battery Charger -60 Amp (24 V)
- Battery Paralleling
- Bonded Electrical System with Transom Zinc Plate
- Color-Coded Wiring System
- DC Breaker with Uninterrupted Power to Bilge Pump and High Water Alarm
- DC Electrical Distribution Panel with Digital Battery Voltage and Load Meters
- Dual-Trumpet Air Horn
- Electric Battery On/Off Switches, Vapor Proof
- Ground Fault Receptacles in Galley, Head, Engine Room and Lazarette
- Heavy-duty Marine Batteries(6) with Boxes
- LED Engine Room Lights
- LED Interior Lighting Throughout
- LED Navigation Lights
- Prewiring for Electronics at Helm
- USB Outlet Receptacles Throughout

MECHANICAL

- 150 Gallon Fresh Water Tank with Pressurized System
- Air Conditioning with reverse cycle heat, zoned for climate control throughout interior
- Acoustical and Thermal Engine Room Insulation
- Automatic Fire Protection System
- Bilge Pumps (3) with Indicator Lights, Float Switches (3), High-water Alarms (3)
- Bronze Rudders with Stainless Steel Shafts
- Bronze Struts
- CNC Machined 4 Blade Nibral Propellers
- Dripless Shaft Seals
- Electronic Palm Beach Side-Mount, Single Lever Engine Controls
- Electric Trim Tabs
- Engine Alarm System
- Engine Driven Emergency Bilge Pumps
- Engine Hour Meters
- Engine Room Ventilation System
- Engine Synchronizers
- Fiberglass Mufflers
- Flanged Bronze Seacocks on all Through-Hulls below Water Line
- Fuel/Water Separator Filters on Main Engines and Generator
- Gauge for Holding and Freshwater Tanks
- Holding Tank with Dockside and Overboard Pumpout
- Oil Changing System for Engines, Transmissions, and Generator
- Optimus Electronic Power Steering
- Sea Strainers (External)
- Splined 2 3/4" Aquamet 22 Prop Shafts
- Trolling Valves
- Twin Freshwater Cooled Diesel Engines
- Water Heater

DECK

- Anchor Locker Hatch
- Bomar Hatch with Screen and Shade
- Freshwater Wash Down Spigot in Anchor Locker
- Non-Skid Surface
- Stainless Steel Bow, Stern and Spring Cleats
- Stainless Steel Stern Hawse Pipes

FLYBRIDGE

- Bench Seating (2) with Storage Below
- Complete Instrumentation with LED Lighting
- Drink Holders
- Flush Mounted Compass with Light
- Helm Panel Designed for Flush Mounted Electronics
- Molded Fiberglass Helm Console with Forward Lounge
- Non-Skid Surface
- "Palm Beach Style Pod" Helm
- Release Marine Carolina Series Helm Chairs (2)
- Switch Panel with Backlight
- Stainless Steel Steering Wheel
- Trim Tab Switches with Indicator

COCKPIT

- 50 Amp Shore Power Connection
- Aluminum Plate Laminated-in for Mounting Fighting Chair
- Cooler Boxes (Ready for Optional Freezer)
- Engine Room Access Hatch
- Fresh and Raw Water Washdown
- Integrated Mezzanine Seating
- LED Courtesy Lighting Under Gunwales
- LED Lighting in Overhang
- Live Bait Well with "Calming Blue" Gelcoat and LED Light
- Scuppers for Self-Bailing
- Stainless Steel Flush-mounted Rod Holders (6)
- Tackle Storage
- Transom Door
- Transom Fishbox

MAIN CABIN

- Access to Bilge, Sealed
- Carpeting Throughout
- Chrome Finished Positive Catch Push Button Latches on All Cabinetry
- Central Vacuum System
- Custom Grain-matched Cabinetry with Satin Finish
- Dinette with Ultra Leather Seating and Table
- Electrical Distribution Panel
- Headliner, Majilite
- Home Theater System with HD TV, Blu-Ray, Sound bar with Surround Sound and Subwoofer
- "L" Shaped Lounge, Converts to Berth
- LED Lighting throughout Cabin
- Reverse Cycle Air Conditioning/ Heat System
- Solid Surface Countertops
- Upholstered Ottoman, with Storage

FORWARD MASTER STATEROOM

- Bomar Hatch with Screen and Shade System
- Carpeting
- Cedar-Lined Hanging Lockers (2)
- Queen Size Island Bed with 6-Inch Spring Mattress, Fitted Sheets, Quilted Bedspread, and Storage Below
- Recessed Indirect LED Lighting
- Storage Lockers
- Storage Drawers

SECOND STATEROOM

- Carpeting
- Recessed Indirect LED Lighting
- Storage Drawers
- Twin Bunks with Spring Mattresses

THIRD STATEROOM / TACKLE ROOM

- Carpeting
- Recessed Indirect LED lighting
- Storage Drawers
- Twin Bunks with Spring Mattresses (or Rod and Tackle Storage)

HEADS (TWO)

- Amticco Floor
- Electric Head
- Exhaust Fan
- LED Lighting
- Medicine Cabinet
- Mirror
- Separate Stall Shower with Automatic Sump Pump
- Solid Surface Vanity with Sink and Storage
- Towel Bars and Toilet Paper Holders

GALLEY

- Electric, Two-Burner Cook Top, Recessed, with Cover
- LED Countertop Lighting
- Microwave / Convection Oven
- Refrigerator / Freezer Drawers
- Solid Surface Countertop with Sink
